

You can keep track of your program requirements through the Exams and Grades page in your Student Centre. On that page you will find a complete list of courses you have completed, or are currently registered in. Use the checklist provided in this guide to see which program requirements are complete, and which courses still need to be completed. This guide is for BNRT students who started their program before September 2018.

1. Log into MyUofC

2. After logging into MyUofC portal go to the **Exams and Grades** page

Program Requirements
